Sub-Award Partner Performance Review

DELIVERABLES REPORT

Consultant:	Adaeze Okonkwo
Reference Contract:	CON-2026-011
Submitted:	15 June 2026
Partners Reviewed:	5 sub-award partners across Abuja and Kaduna

Summary of findings: All five partners are on track against their workplans. Three partners show strong financial documentation practices; two require additional bookkeeping support, which has been flagged to the Programs team separately. Full site-visit notes and scoring rubric are attached as annexes A–E (omitted from this demo copy).

Recommendation: Approve final payment; schedule a follow-up bookkeeping training for the two flagged partners within Q3.
